

Church reopening for Prayer and Meditation

Updated 14th August 2020

Check list for Stewards

Stewards on duty for receiving visitors for prayer and meditation should follow the guidelines below.

- 1) On arrival at the church open both the north and porch doors
- 2) Ensure visitors use sanitisation on entry and exit. Sanitation materials are on the table inside the church near the entrance.
- 3) Ensure the visitor provides all their details on the Covid19 track and trace register. When they leave provide the seat number where they were seated.
- 4) At the end of the session clean with the cloths provided any seat areas used by visitors. Also clean any items near to where you were seated including door handles.
- 5) Leave the Track and Trace document in the Vicars vestry or on the shelf adjacent to the vestry door
- 6) Masks are available on the desk. Please request a donation (suggest £1) and put the money in the wooden box next to the pillar
- 7) A bin has been provided for sanitising waste. This will be emptied by JM on Mondays.

Many thanks for your help

John Mordaunt
